This committee has identified the following case choices to be the three of the above eight factors Runge Elementary, Runge High School and Runge ISD should focus on for improvement in the upcoming school year.

First Case Choice: Community and Parental Involvement – Committee members are in agreement that Runge’s elementary, high school and district could do more to become more involved in matters important to our community. The committee recommends the campuses and district develop a partnership between school and community.

Second Case Choice: Fine Arts – Committee members are in agreement that Runge ISD’s fine arts program should be expanded to include fine art opportunities beyond band classes.

Third Case Choice: Educational Program for GT Students – Committee members are in agreement that GT students at Runge ISD need more access to enrichment opportunities such as show casing talents and participation in academic contests.
