May 23, 2022

Dear Parent/Guardian,

The State of Texas requires that immunizations be current in order for a student to attend class. Please take the time this summer to ensure that your child's immunizations are current.

**Pre-K Requirements: 4 year old shots are required before student can attend class.**

**7<sup>th</sup> Grade Requirements: Tdap & Meningitis immunizations are mandatory before the student can attend class.**

It is difficult to get these vaccines if you wait later in summer or right before school starts.

Please make arrangements with your doctor early.

**The following resources are available by appointment:**

**\*Texas Department of Health...Karnes City...780-2303**

**\*Karnes Community Health Center...Karnes City...780-3100**

2022-2023 Immunization Schedules are posted in the *Nurse's Corner* on the Runge ISD website.

Please provide the school nurse's office with an updated immunization record before the first day of class, August 15, 2022. Students can not attend class if immunizations are not current.

I will be available as of August 1, 2022 to accept records.

Thank You & Have a great summer!  
~ Nurse Martin~
