Dear Parents and Guardians,

Late last week, the District was made aware of an allegation against a district employee regarding criminal offenses involving a minor. The employee was immediately removed from the campus and is no longer employed by Runge ISD. Since then, the former employee has been detained by local law enforcement. Please know this is a breaking situation. The District is working in cooperation with law enforcement in the pending investigation. As always, the health and safety of all Runge ISD students, families, and staff is a priority.

Any further inquiries should be directed to the Karnes County Sheriff's Department. Please be assured that the District has taken steps to ensure the safety of Runge ISD students.

Thank you for your continued support of Runge ISD and our students.

Educationally Yours,

Hector O. Dominguez, Jr.
Superintendent
