Yellowjacket Nation,

As we continue our work to strengthen academic outcomes and provide the best possible learning environment for all students, I want to share an important update to our district leadership structure that will take effect on July 1.

Beginning with the 2025–2026 school year, Mrs. Angelina Torres will serve as the Principal of Runge High School, and Mrs. Allison Wells will serve as the Principal of Runge Elementary School. This realignment allows each principal to focus more deeply on the developmental needs, instructional goals, and campus culture unique to their grade levels.

This change is part of our larger effort to improve teaching and learning across the district. With each principal focusing on a specific campus, we can ensure more targeted instructional support, stronger communication with families, and consistent leadership for both students and staff.

I want to thank Mrs. Torres and Mrs. Wells for their continued dedication to our students and for embracing this transition with a shared commitment to excellence. I am confident that this structure will better support student success at all levels.

Thank you for your partnership as we move forward together.

Educationally Yours,

Hector O. Dominguez, Jr.  
Superintendent
